I'm so sorry to hear this news about Nic. I didn't know him very long but for the short amount of time I did know him he was such a great example to Ryker and all the boys on our football team. He will be missed.

- Brian McCoy

I only got to know Nic when he started working at the prison. But seeing his smiling face coming in helped make my day. Eventually we grew close and talked on a regular basis. My heart goes out to you all and I know I will miss seeing his smiling face and warmth of his hugs. He truly was an inspiration to me. Always willing to help me out, talk to me and just be a listening ear when I needed it. All my love.

- Virginia Parsons

My heart goes out to those left to mourn Nic. What a beautiful soul.
