Jolene sorry to hear about Nicky. Have not seen him since we lost Rogie. It makes me feel so bad to loose some body we grew up with in Highland Boy. I will let my sister Lorraine know about Nicky.

I'm truly sorry for your loss. After 40 years of listening to my father's stories about his uncle who went to America, i tried to find more information for him, because he is almost 80 years old now.. He didn't know where to start to search, nothing. I managed just last year to find by luck some pictures of the Bingham city Cemetery where i recognized the name, surname and place of birth (Vrebac) of Nikola Rakich, my grand grandfather. Everything else matched, name of my grandmother, ect. Then I also learned after many days spend on internet about some of the his descendants and stories about living and working in the Bingham mine. I was fascinated. Not knowing about the existence of Nick, confused by another name Nick that appeared many times, unfortunately I found just yesterday information that he passed away this year. I realized that the other Nick was his long ago-deceased brother, I guess. I apologize for this way of getting in touch but I have no other way to contact you. I hope that someone will forward you this message and my e-mail for further contact if you wish, because we are apparently close relatives, by Serbian standards then.. My name is Nenad Rakich (46), son of Bozo Rakich (79) and grandson of Sava Rakich (1912-1986) Nick's and my grandfather were brothers by birth. My grandfather lived and died in Vrebac, where I was for the last time in 1991, just before the war outbreak. I live with my wife and children in the Netherlands for almost 30 years and my parents live in Serbia where i lived until I was 19 where I go on vacation every year for a few weeks. I wish you all the best and I hope we will hear from you, I would make me happy. Best regards, your cousin Nenad Rakich rake@live.nl
