

Nona Laraine Springer

August 11, 1952 ~ March 15, 2023

My dear friend Nona was my long time pal. We were related through marriage. My brother Richard Benson married Nona’s sister Kathy. We both thought that was just the coolest thing that could ever be! The Benson’s and the Springer’s spent lots of time together. Sleep overs, toilet papering the golf course, camping trips, tearing down decorations after a dance only to fine out there was a dance the next night using those same decorations that we had to redecorate with. Nona and I went on a bus trip to Disneyland with our Mutual and were roomies. Fun times over the years with my pal Nona. I’ll miss her sweet smile and fun personality. Until we meet again…. Aloha always and A hui hou, Your friend Mary

So sorry for your loss! I’m happy her struggle is over! I never saw her when she wasn’t smiling!

I was just thinking about Nona and wondering about her. When I was in my late 20's, Nona, one of my sisters, another girl, and I were roommates. I cherish my memories of her. I was going to try and visit but my searching for a phone number revealed her obituary. I appreciate the words that were expressed in the obituary. Wishing my heartfelt appreciation for her and her parents. It was wonderful getting to know them. Sincerely, Sarah Luttmer Bushman
