I married into this family 51 years ago. From the beginning she made me feel loved and welcomed. I love Aunt Norma so much. She was a true example of Christ and what we are supposed to do while on this earth. I always felt so welcome in her home no matter when I dropped in. I will miss her so much, but I am happy for her to be with those she loves on the other side. My heart hurts for those of us left behind without you!!!!

Darlene and family, So sorry to read about the passing of your sweet Mom. As a teenager II spent many happy hours at your home. She was always welcoming and kind to me. Even then, as a young girl, I was impressed with her gardening, sewing, and homemaking skills. She made you the most amazing and one-of-a-kind outfits to wear. You are lucky to have had so many years to spend with her, but I know you will miss her every day. Peace and blessings to your family. Annette

I loved Aunt Norma with all of my heart. Aunt Norma made things fun and was always laughing. She and my mother June Gordon Pierce we’re best friends. So many memories and years of reunions were spent with aunt Norma and uncle Lark and their family.

- Loe Marie Pierce

Sorry I missed the services. Lark and Norma and family were good friends and neighbors for years. The true Draperites are getting few and far between.
