

## Norma Jeanne Capps

*December 1, 1942 ~ December 31, 2025*

---

My sincere condolences to the entire family. I spent many years in my youth at the Capps house. Always in awe of how clean it was at all times. Jeanne was always doing something whether it was cleaning, cooking, baking, shopping it didn't matter. She was beautiful every second of every day. I wish I could have made it to her service to be there for my best friend Jenny. I'll be watching and thinking of you all. Lots of love, Meagen

Jeanne was beautiful, strong, proper and oh so loving. I'm sorry I could not make it to the funeral. I loved my Aunt Norma Jean. She was a BADA\*\*, she had depth, experience and insight that was so on point in my life and I am so grateful.

Dear family of Jeanne, I send you my warmest condolences of the loss of your dear Mother and Grandmother. We were her neighbors in Bluffdale for about 28 years. She was very patient with our out of control little pigs until we got their pen figured out - even when they destroyed some of her flowers. We enjoyed her bringing Courtney to be part of our preschool. Courtney you were such a little sweetheart! We were blessed to be one of her cream puff recipients and boy were they good. It is so true that she was honest in sharing her opinions, and that was refreshing. We wish you and her the best possible in her next phase of life! Much love!!
