

Norma Lee Gardiner

Jan. 19, 1941 ~ July 14, 2021

We will miss Norma and want her family to know we loved her. We know you have a lot of fond memories of your mother and have the family in our prayers.

I have known Norma since she was in our Stake in Clearfield. When I began my service mission at the Family Service Center in LAYton, she was my mentor. I appreciated her help so much. I admired her knowledge of genealogy work and the Spirit of the work she had. I am so sorry for your loss. She will be missed. With love,

I have been so blessed to have you as a friend. Anytime we would see each other you would very sincerely ask how I have been and legitimately cared for the wellbeing of those around you. Anytime I was sad or upset you always knew and would just talk with me. You will forever be missed.

I loved sis Gardner she was so fun and I knew if I couldn't help someone she could. I loved just sitting and visiting with her. Always had a smile even when she was having her back and health problem ■

I'm so sorry to hear of Norma's passing. Over the years we have done family tree research together from time to time. We lost contact before the pandemic. RIP Tina (granddaughter of Beulah, Mae's sister) Sisters: Mae Hammett-Norma Gardiner Beulah Evans-DorothyNuchols-Tina Nuchols
