Don was always a fun person to talk with. He loved being active in sports but he loved his family much more.. I looked forward to talking with him after church.

Sissy I didn't know your dad very well, but I do know that we are never ready to say goodbye to our parents. My prayers and love are with you all!!

Don & Kathleen were our very dear friends in Southern California. Don not only was the best dresser, but him and Kathleen could out dance any couple doing the swing. They were poetry in motion! He loved tennis and playing poker on Thursday night with the boys. He always made us laugh with his jokes! Don will be greatly missed, but will

forever remain in our hearts. Our deepest sympathy to Kathleen, Sissy and their family.
