May 25, 1938 ~ March 28, 2025

So sorry to hear of Roger’s passing. We enjoyed his friendship. We are thinking of you Karen, and your family.

Jill I’m so sad to hear of your father’s passing. It is a blessing he was surrounded by family and got to live a long life loved by his children and grandchildren. I extend my sympathies to you and your family, including your children who lost their grandpa. I know this is a difficult time for all. May you reflect upon his life and remember fond memories together.
