I was blessed to have you as a friend for so many years, and so many adventures! We laught and cried over our children and pets and gave support to each other in times of grief. You were a rock for your family and a sedfast friend.

Kim, I hope you know how much Dick and I have loved your family. You have just been near and dear to us these past years. Knowing Nila was suffering makes her passing easier to accept. I know that this would be her wish and I'm sure that she was greeted by loving arms. My thoughts are with you and your family, all of you, and I want you to know that I love you and hope the years ahead will be happy years. With all my love, Darlene Bennett

OMGOSH, I remember Nyla Kay. She was our only neighbor when we lived in Draper on Sunburn Ln. We sure loved her and her infectious laugh. My heart goes out to her family at this delicate time. We've missed you being in our lives "momma Kay".

All of our blood donors and staff loved Nyla at ARUP Blood Services. She had a talent for recruiting blood donors with a lot of compassion. It was evident, at work, that she has a great love for her family. Her contribution to the community made an impact on those who donated and received blood. Her efforts made a difference. See you up there Nyla!

I worked with Nyla throughout her years at ARUP in Blood Services . It was an absolute pleasure and honor to have known her. We were generally the first two people to arrive every morning. We shared many laughs together in those early morning hours. To her family and friends, I'm so sorry for your loss. I'm certain Nyla will live on in your fond memories of her.
