Dear Ostler Family, Judy and I send our thoughts and prayers to the entire Ostler family. We know he will be missed by all. From my initial interview with Tanner leadership in June, 1981, Don's immediate impact on my Tanner career was ever lasting. Barbara and Don became a great inspiration and friends. We remember all of our competitions at our many Tanner sales meetings. Don was a great leader! Don was the ultimate competitor! Don was the consummate man! We are eternally grateful for having him in our lives for 31 years. God Bless!

Dearest (Dick), I am heartsick to learn of the passing of your most precious Father!! No one can ever replace that bond in life. If he was just 1/1 zillionth of the fabulous son that he raised, then he was practically perfect! I pray you will feel the sweet spirit that God provides to families so tenderly after a love one passes. Make time to journal all the precious memories during that time. You do forget with time! Know I will be praying and thinking of you much during this difficult time! All my love Linda Hammond Hansen

- Dear Richard and Sheila and Family

Dear Barbara we reverently rejoice with you as we contemplate a life well lived. Please know of our love for you. I would so love to be there to represent mom knowing of her deep love for you. Unfortunately, my companion is having some health challenges and will not be able to do so Our thoughts and prayers will be with you.

Carl and I were so sad to read of Don's death. Although we didn't see each other often, we always considered you two our dear friends. We have many sweet memories, beginning with college days for Carl. Don was a great man, leader, family man, and friend. Sending much love and prayers to you, Barbara, and to your extended family. I met Don and Barbara through one of their dear friend Mr Late James Langton Macfarlane. I admired their affection for each other. They're great example in many ways. Never know that Don and Jim will left this life one after the other. My heartfelt sympathy to you my dear Barbara and your family at this time. I love you Barbara. I can imagine Don and Jim catching up on the other side of the veil like how they always call each other on the phone and checking how's things going. 'Ofa lahi atu.

It was an honor to attend the same ward as the Ostlers in my youth. Don always took a genuine interest in the lives of me and my brothers. I am grateful that I was able to grow up and rub shoulders with him. The Van Dyke family has been blessed by his stalwart example of discipleship. We will miss seeing him ride his bicycle around the neighborhood. Until we meet again -Parker Van Dyke

Barbara, I just found out about Don's passing today. So sorry I couldn't be there with you and your family. I lost my next younger brother Frank last year and came to know something more about those feelings of separation. We are praying that the Spirit will comfort you and grateful for the knowledge of the gospel that teaches us that separation is only temporary. Don has always been an example of goodness and service to his God and family. I will cherish his example always.
