"O God, our source of all comfort, we come to You with heavy hearts. Please be our source of strength during this season of mourning. Wrap Your loving care around this grieving family and fill them with the hope of eternal life through Christ Jesus. Amen

- B Martinez

I was very sad to hear about Olivia's passing. I worked with her for many years. Olivia was a very smart and hard working person. Olivia was such a sweet soul and was so good to others she was a dear friend to many of her colleagues. Olivia loved her children and family she spoke so highly about them. I know that there are few words that ease your pain at this time. I hope that you are able to find peace and comfort. She will be missed.

Dear Ally, Jade,Robbie,Carlos,Gio I know there are no words that can ease the pain we all feel right now. The loss of your mom, my beloved sister, has left an emptiness in our hearts that can never be filled. She was not only my sister but also my best friend, and the bond we shared was one of the greatest gifts in my life. Every day, I miss her more than words can express. I miss her laughter, her wisdom, and the way she made everyone feel so loved and cherished. I know she loved each of you with all her heart, and she would want us to hold on to the beautiful memories we have of her. Please know that I am here for you, always. We are in this together, and we can find strength in each other as we navigate this heartbreak. Your mother's love will always be with us, guiding us and keeping us connected. With all my love,Nina♥■■■■

I worked with Olivia. She was the nicest person. Always did her best and treated everyone with kindness and respect. Especially when COVID hit she never made me feel like some other people did. She was such a hard worker. I am still in shock and cannot believe she is gone. I love you Olivia and miss your beautiful voice and beautiful smile everyday.

Our aunt Olivia, was a remarkable person who brought immense beauty and love into the lives of everyone that knew her. Though she is no longer with us in person, her spirit and influence will continue to be a guiding light for our family. Her memory and presence will always remain a cherished part of our hearts.
