

Owen C. Lambert

August 9, 1933 ~ May 17, 2022

Owen will be greatly missed. I enjoyed my visits to Owen and Virginia's beautiful home and loved the gardens that Owen took such great care of that surrounded their home. He and I worked for the same school district, in different eras. He was always a kind and gentle man that gave a feeling of warmth and comfort whenever in his presence. Condolences to Virginia and Stephanie for their earthly loss. God be with you till we meet again.
