Some of my fondest memories as a young single adult was having Woody in our bishopric. We were lucky to have amazing leadership at that time in our lives, but also individuals that cared for us and were our friends. I feel that is a rare trait these days. Woody always had a smile that could pull you out of darkness, and would take the time catch up even if he was heading someone. My heart broke when I saw that you passed Woody. We lost a giant but man heaven gained someone pretty awesome with you, Say hi to my dad up there. He’s the one probably saying something totally inappropriate. Love to the Wood family!

- Jenny McConnell

Dear Janet, I was so sad to read about Owen’s accident and untimely death. I have known both of you since Jr. high school, and Owen before that. You have always been such wonderful friends and classmates. I am very happy I was able to see Owen and you at our last reunion. We all had such a nice time celebrating 60 years since graduation from South. I will keep these memories in my heart. Love and blessings to you and your family, Cheryl

Misty knows how much I loved her folks, Janet & Owen!! I was always jealous of her having such amazing parents. (Mine… not so much!) this absolutely breaks my heart for her and her mom, Janet and her siblings!! It’s so rare to know someone who’s so happy and outgoing in their lives that “on contact” touch others lives. Owen and Janet are just those people.. making a difference in so many others lives just by inviting them into their home or a trip to Lake Powell for ur 21st birthday! ! The world needs more “Owens”!! And Janet’s too!! Im blessed to have met them and receive their kindness!! And more so, their daughter Misty!! She’s a great GREAT person!! And.. I love you so much girl!! Im sorry you have to endure this sadness!! Hugs. Becky.

So sorry to hear of the passing of Owen. We have fond memories of Owen and family growing up with ours as neighbors and friends in Pepperwood. It was always fun running into Owen and Janet at our favorite restaurants. He was a happy, charismatic and friendly guy and will be missed. We are blessed to have known him. Unfortunately we will be out of town and will not be able to attend the services but our thoughts and prayers will be with you.

Janet, Misty, Lane, Mike, Emily and Extended Family, we love you all so much. Like everyone, we are in shock that our dear friend Owen has gone ahead. We miss his million dollar smile and the huge hug that genuinely says I've missed you friend. Janet you compliment his personality and the two of you are such an example of Christlike love. The Lewis family has been the benefactor of your unbelievable generosity and hospitality. We've laughed, skied, golfed, and cherished every moment we've spent together. You are an amazing couple with a beautiful family and a darling daughter to welcome Dad home. We love you all so much…

How to condense memories of over 50 years into a paragraph?!? So many of the things in our home remind us of Owen (and Janet). So much of our slang and sayings we use daily originated in our friendship! Most important we can't even say "Owen" without saying "and Janet"! The two have lived together as one! We pray for them as they are separated for a time. Our friendship began when they moved to Cache Valley and included 6 couples. Our children were very young. It continued while they lived in Pocatello and finally as they welcomed us into their beautiful home in Sandy. Skiing trips with and w/o our children come to mind as well as hunting trips and the days at Lake Powell working on Lazy Days! They made the effort to visit us in Samoa while we were there, and we in turn, visited them in Sweden. We've vacationed together in many countries, and lately have spent part of each winter together in St. George. But whether we were near or far we have been blessed to be with Owen and Janet. We always have had great fun and have been enriched by their companionship! Their kindness and hospitality have been legend! They have loved cared about our children. In this world lasting friendships with those who help us live better and who love Heavenly Father and his son, Jesus Chirst, are rare. We are so grateful for the friendship we have had with Owen and Janet, and we look forward to this friendship continuing throughout eternity.

Dear Janet, Mike, Misty, and Emily, This was a very sorrowful time in our lives as we thought of this one great man in our lives. Janet, you and Woody were a special couple in our younger lives in Pepperwood. It was so fun doing things with the Wood family. You two were very inclusive and accepting to us, and we thank you for your gift of reaching out to us. In our insignificance, you were giants in our world. We are proud to say you honored us by including us in your friend and neighbor group. We weren't able to attend the funeral because we now live in Arizona full time, and we are moving slower than you and Owen. As we listened to the recorded funeral services, we recognized that you two have continued your active lifestyle, and that is great. That is a trademark for the two of you. We care about you. We pray for your strength and peace to move forward in Owen's absence for a season. We send our love and hope as Owen would say, "Have some great days ahead!"

- Steve & Toni Ogden

Dear Janet, Michael and Misty, I have just learned of Owen's passing this past August. O was something else, and I know you will miss him terribly. Janet, I watched the funeral and realized in the years we have not been in touch, that you have been busier than ever with that large group of grandchildren. What a lovely family. Michael, hard to believe you have grandchildren of your own!! I know that Owen is with Robin now, and he will care for her as he has cared for you all in his time here. I saw that picture of him and he reminded me of his dad. (don't tell him I said that). I think of you often and you will be in my prayers Janet. I wish I had known sooner, I was just in the valley last week for a quick stop on my way back home to Tennessee. Much love to all of you , and my deepest condolences

to you all. Always, Julie Barber Duran

- Julie B.

Dear Janet and family. I don’t know if you will get this as it’s a year since Owen passed away. I just found his obituary as I was looking on how to connect Micheal. I am so sorry for your loss. I will never forget how you and your family included me when I moved to Salt Lake City. I am so sorry for your loss. I’ve been back in Canada since 2010. But I think log your family often. My prayers are with you all. Heidi Berger
