I am not a friend of the family, but I first heard the heartbreaking news through my co-worker BJ, who rushed to the elevator saying, “My son’s best friend was hit by a car.” Through her grief, I was devastated to learn of this tragedy. Since that moment, I have not stopped thinking of your family. The obituary was a beautiful tribute to Owen and showed what an extraordinary young man he was. Please accept my deepest condolences to your entire family and his girlfriend during this horrific time. Many prayers are being sent your way. Owen will never be forgotten. With sympathy, Susie

- Susie Hansen (Friend of BJ's)
