We will miss you so much Pae. Your smile lit up a room, your laugh was infectious but your kindness is what we will miss the most. Thank you for always being kind to me, for accepting me & always showing me love. We’re thankful to have had you in our lives. We will always remember you. We love you, Tee & Jen

We were saddened to learn of Walie’s death. He was such a kind and gentle man. Law school was made bearable because I had Walie as a friend and mentor. We hope the peace of Christ will abide with you and your family in the weeks and months ahead.
