What a fun lady. Every time I had the pleasure of seeing her, she made me smile. Thinking of you all during this challenging time and sending love.

What great story her life is. A true family matron. A fantastic love story. It was so much fun to watch her and Wooly together. There was so much love and respect between them. I know she will be missed more than we can imagine. My love to the entire Waldron family.

A sweet loving tribute to the TRULY BEST Mom that EVER lived, who was also my very best friend! "Time is too slow for those who wait, too swift for those who fear, too long for those who grieve, too short for those who rejoice, but for those who love, time is ETERNITY! " ~Henry Van Dyke~ I love you Mom, Until we meet AGAIN, from your loving Daughter, Wendy Sue Waldron

Mom, life without your physical presence has been most difficult. I miss our daily talks. I have so many things i want to tell you. I want to let you know i am deeply appreciative of the examples you taught me of non conditional love, kindness towards others and forgiveness. I am watching out for dad and Baxter. You are the very essence of style, beauty and goodness. In the mist of loneliness i will think of you every moment of every day. I am so proud to be your daughter. I miss you and. Love you!
