

Patricia "Patty" Ann Schulze Spencer

August 30, 1942 ~ September 21, 2022

Patty is my cousin. Her parents were Great uncle and Aunt to me. Patty was always friendly and kind. So sorry for your loss. She will be missed.

I have such special memories of times we spent together as children. Family celebrations with your parents and family and my grandparents, John and Loretta and their family were fun. My sympathy for your loss. Love, Sharlene Page Miller
