Una sonrisa maravillosa que llenaba mi alma cada vez que la veía. Gracias por su amor Hasta vernos con el Rey

So sorry to hear about the passing of Patty. Words can not due justice concerning her wonderful smile and upbeat happiness. We will truly miss her.

- Marshall and Sherilyn Stinson

Marty and I were close friends throughout most of elementary, junior high, and high school. I have spent many days and nights at the Borg house on siesta Drive. I probably logged a month or longer total time in their old maroon colored suburban. Patty always made me feel safe and welcome. I recall one time when my parents left on a 2 week vacation to Israel. Patty and Alan agreed to host me. I was a little homesick and Patty helped me feel better. She was a natural at helping people. Her laugh was something you could hear and feel throughout their entire house. My expression of condolences for Alan, Marty and the rest of the Borg family. They are an amazing family, and have held “true to the faith” and will surely see her again! Love, Paul and Kara Kelly .

Nunca habrán palabras suficientes de consuelo cuando un ser amado a partido, sin embargo se que es Jesucristo y su evangelio lo que nos da el consuelo que necesitamos. Siempre estarás en mi corazón mamá Pat Borg. Y se que nos veremos de nuevo. ■■

Oh Hermana Borg truly is the most special woman I've ever met. She has had the greatest and most wonderful impact on my life of anyone near and dear to me. When I say I hope to be like her someday, it is because she emulates the love of our Savior Jesus Christ ever so radiantly. I love her so big and cherish the incredible memories we had serving in Peru together. I will never forget her hugs, and her laughs and when she would say "Ohhhhhhh" and her voice would quiver up and down. That always made me laugh so hard. She was well-aware of the boy I dated before my mission and always rooted for us to end up together. Now that we are together, married and with 5 children I cherish that she was a party of that love story. And never let me give up on him. We got together over the summer and she held my baby and we sat and laughed about our favorite moments in Peru and it's such a fond recent memory that I'm so grateful to have. More than anything, I'll remember what she made me feel. She made me feel so very loved. She made me feel like I could be and accomplish anything and everything. My ultimate cheerleader on the mission and always. I love her so very much and offer my sincerest, most heartfelt condolences. Prayers for the entire Borg family! Until we meet again.

I will always love and cherish the memories I have of Hermana Borg. She greeted us missionaries with a hug and a smile each time she saw us and radiated love for all those around her. I can still remember her laugh, especially from when I called her to tell her I broke a tooth on the mission and looked like a hillbilly. She was the kindest, most positive person that made those around her feel special. She truly emulated Christ in her life!

- Monica Heiner Kehoe

Forty-two years ago It was my incredible good fortune to move into Patti's Neighborhood. I call it that because it truly was Patti's Neighborhood. She and Alan were some of the original settlers in this little alcove of flatland tucked in the foothills along Little Cottonwood Creek. It was a new development and homes were sprouting and young families were pumping out babies right and left. But there was something special - almost magical- about this place. Patti and Alan lived there. Each new occupant would experience the inescapable joy of Patti’s welcome. Hi Banana! would ring out as you walked or drove by, and her smile would light up the day ahead. The miraculous thing about her love of life, and everyone around her, was so powerful that it was contagious - and we couldn’t help but catch it. We became not only neighbors, but friends who genuinely cared about each other. The example of acceptance without judgement, unselfish service, and sheer delight in the everyday living of life they exuded permeated the very air and we all were lifted and lead by it. And so for 42 years Patti has been the heart and soul of this special place. To say she will be missed doesn’t come close to describing the loss we feel. But Heaven just got an extra-special infusion of joyful delight radiating from our dear, dear friend, Patti. How happy they must be to have her back. We love you, Patti.

Dear Alan and Family, My heartfelt sympathy and love to all of you as you celebrate the life of one of God’s beautiful daughters’ Pat was a ray of sunshine when we were teens walking the halls and participating in Pep Club during our fun high school years. She genuinely loved her fellow classmates and showed it whenever interacting with her. Always kind, a beautiful smile and inclusive in her demeanor. I’m delighted you and she have had such a wonderful, long married life together and the birth of an awesome family. May your memories of her serve all of you to find peace and joy knowing that she was loved by so many people her life touched on her journey here. Love and friendship to you Alan as I know the sting and sorrow of loss dear old childhood neighborhood friend. I’m sure it gives you much peace to know you will be with her again beyond the veil. In my loss of my dear Tom, some days, it’s all that keeps me from deep sorrow. ■■■

Hello! There’s no one like Patti and we love her so much. She was instrumental in our growing up years. Always a ray of light and kind and made everyone so so happy. So grateful to have known her and been influenced by her.

Alan-Rick and I were so shocked to hear about Pat’s passing. She was the kind of friend who, no matter how long it had been since seeing her, it was as if it was just yesterday!! She was the only one who ever called me Denise-ee ■ and her laugh was contagious ♥■ I’m sure she and Susan are catching up on everything now. Our prayers are with you and your sweet family as you navigate this time without your beloved Pat.

Dear Alan and Family, I'm so sorry about Patty's passing, what a wonderful friend and person she was. I only happened on the obituary this evening in preparation of the obit for my ex-husband. She was such a good friend to me in high school and college. Although I had not seen her since our 50th High School reunion I have thought of her often, including today before reading about her here. There must be such solace in knowing Patty lived a beautiful life filled with the joy of family, friends and her faith. Sincerely, Mary Ellen
