Dear Gary, Jamie & Melissa, Your ex-wife/mother was sooooooooo special. I loved her laugh and her sparkling eyes. I know she will be missed by all of you. Peace and Prays for the difficult days ahead. Jill (Richard & Janice Berriochoa's daughter)

Aunt Pat was truly a happy , joyful person. As a small boy I thought she was the most beautiful person I knew. I wanted to marry her. I am sorry for your loss. She will, like my mother, go directly to heaven. I wish I could be there but because of medical problems, I can't travel . I pray for Heavenly Fathers blessings and comfort on you. Keith Nuttall Jr.

Dear Jamie and Melissa, My thoughts and prayers are with you. I loved your mom, and I enjoyed performing with her so much. She taught me a great deal. I will be listening to the services. Unfortunately, I can't be there in person because I am in Idaho performing in The Spitfire Grill with Michelle. The passing of your mom has once again reminded me of just how short life is, and so I am really grateful for this opportunity that I have to share with my daughter. Please know you are loved and that the many people that you have brought joy to throughout the years are here to sustain and support you in your time of need. Thank you for being such great examples of chosen daughters of God. We love you, and so does He. Jackie

Dear Jamie and Melissa, In my lifetime I have met only a handful of individuals without guile, your mom being one of them. My heart is broken but she is no longer among us. Somehow I thought that her comforting and gracious presence would be with us indefinitely. Pat’s gift was to send people away better than she found them. No matter who they were or where they stood, your mother was a master at uplifting everyone she encountered. I will never be able to emulate her soft spoken lady like grace, but I enjoyed every minute of observing her at work.

Dear Jamie and Melissa, Gerald and I are so sorry to hear of Pat’s passing. I have felt a real loss knowing sweet Pat is gone. I want to tell you two of my favorite memories of your mother. 1) Gerald‘’s mother was so sad and frustrated after she had too have a surgical colostomy bag to sustain her life. Your mom went a number of times out to South Jordan to help, instruct and encourage her as well as taking her phone calls. This meant so much to her and our family. 2). One October your mom picked me up to go visit teach Phyllis Howlett. Grandma Howlett was in her eighties and Harold Howlett always came in whenever Pat came. Pat was fully outfitted as Snow White. She went in their home and serenaded both Howletts for at least 20 minutes. With her hands intertwined, she sang right to their faces. Howletts didn’t quite know what to do and kept looking at the floor. Pat had been at an elementary school that day performing Disney songs for the children. It made their day. So cute— so sweet Pat. I loved your mom. One of my dear old friends. Gerald and I love both of you. Jeanne

Dear Jaime and Melissa, I enjoyed watching the services for your mother so much. I was unable to attend. Some wonderful stories that I hadn't heard before. Your mother was a wonderful, beautiful, cheery, fun Aunt. Always fun to be around. She will be missed . . . but I loved thinking about her being together with all the Petersens. You are in our prayers. We pray that you will be blessed with peace and the love of our Savior. I'm sure that Pat is watching over you. Your Tucson cousin - Becky - Donna's daughter
