Melinda, We're so sorry for your mothers rather sudden illness and diagnosis, hopefully you take solace that her condition progressed quickly, as did your fathers. Exiting mortality quickly seemingly has its advantages. We regret not knowing your parents better, but we do remember them both with kindness and friendship. Please know our hearts go out to you and your family. We love you, David and Deb

Dear Girls...Thinking about Pat and all the many years of association. She was always a powerhouse, even when she couldn't move as quickly anymore. She is remembered with great fondness and admiration. May your hearts be at peace, even though her earthly presence is missed. Still mom! Love to you!

Having moved away from the neighborhood we don't always hear when someone passes. So sad to hear about your mom. She had a big role in our life as a school teacher, a musician, a neighbor and friend. I'm sure she was happy to reunite with your dad. Such a wonderful couple with a great legacy of family, doing great things. Sending our love. Larry and Mindy Mitchell
