Dear aunt patsy you will be missed. I appreciate how you always showed unconditional love towards me. I was so touched when you reached out on my dad's passing and mom's passing. You were always filled with love and compassion. I send my love and prayers for the family my cousins and that God bless through this time of lost. Love you all God bless always.

Such a great woman. One of my female role models when I was younger, intelligent and funny. I'm sad I won't get to see her again. My heart goes out to Erin, Daniel, and family.

Your beautiful mom was the kind of mother everyone wished for..and you have been lucky enough to call her yours! Now, she is your perfect angel. Thinking of you always... hold tight to your special memories.. Love, Mindy

John & Family, You all have my deepest sympathy for the loss of Patricia. I will always remember how cordial and friendly she was. You both made me feel at home renting the basement from you all. May she rest in eternal peace. Take care and May God bless her and your family.
