Patricia's wonderful spirit of friendship, inclusion, and encouragement lifted everyone she was around. We're so grateful for her kindness and making us (like everyone else) feel special. Love and sympathy to Arlen and family.

Arlen and family. My heart goes out to all of you in your loss. Pat was a very special neighbor and friend and I loved her dearly. Because of the circumstances I am in right now, I feel a great sadness that I am unable to attend the services. Please be assured my prayers for your ability to find peace are with you.

We rejoice that we knew and loved her, and will ever be grateful that she was part of our lives, as are you. Our love and very best wishes to you and your family, and may peace and comfort come to your hearts from above. Much love.

A very beautiful & classy lady. We all grew up on Carrie Drive. We were a true Ward Family. I enjoyed being her visiting teacher for many years, & tending Charlie for a period of time, while they worked. From the pictures it looks like she had an enjoyable re-marriage. Stan remembers going down the river with Gerald, standing up in the boat taking pictures as we went over the rapids!! With that expensive camera.! We missed you when you moved, & we will miss you now. Comfort & peace to your family & friends. Stan & JoAnn

Cami, Arlen and families, I am so sorry for your loss of Patricia. She was such a beautiful and loving person and I will miss her so much. Her warm hugs brought so much kindness and a smile to my face. She brightened up every room and was so much fun to be around. My prayers and condolences to all of you in this time of need.
