My family's deepest condolences to the family. Trisha grew up on the same block as me before she was married. I knew her mother and grandmother and her Aunt's and Uncles. Praying and sending love from California.

She will be greatly missed, I have so many memories and grateful for the times she babysat and kept me informed on what the kids were doing when I was at work lol. She always had an open door for anyone, to talk, whatever they needed. Sending big hugs to the family Amber
