

Patricia "Pat" Evans Link

October 6, 1954 ~ October 10, 2025

Pat was one. If the sweetest women I ever met. It was a privilege to know her. God Bless!

- David Link

Pat is my darling, fun buddy who welcomed Steve and me into the neighborhood with a box of her famous homemade caramels and that amazing, joyous smile! We became such good friends and loved talking about what our kids were up to, how to keep our gardens evolving, decorating, paint colors, hair, and cooking. She has gifts in all of those areas. Pat could make Steve laugh and laugh and always called him "my best friend." And, my goodness, how she loved all of her grandbabies ■ That subject never grew old. I love Pat so much and my life is immensely finer for having her as my happy, sparkling friend ■

I worked as a school psychologist with Pat at Oquirrh Hills. She was radiant and full of life and loved the kids.

Thanks for letting me know-of course I can come to the viewing but have family coming for dinner that night. It's never easy to lose your mom but we all know she's better off and you don't have to worry about her anymore. Love you sweet girl■■■■

I'm so sorry to hear of Pat's passing. My sympathy to your family. Pat was a talented teacher with patience and dedication to her students. She saw the potential in her students and strived to help them succeed. Pat was a good friend. I wish you peace.

Pat's twinkle in her eye, sweetness, warmth, and playfulness, will be missed by all who knew her. Don and Pat combined to make each other's lives richer and happier. I'm so sorry it couldn't have gone on forever. Such a Dear Lady
