Aunt Pat was a gentle soul. A giver. She was full of love and she gave it to everyone who knew her. Family meant everything to her. I think most all of my cousins spent time at her house growing up. We did, my brothers, sister and I. Our family vacation always included Utah. And most always we stayed with Aunt Pat and Uncle Lavelle. I was mesmerized by her piano and would always migrate down to the basement soon after arriving. She let me bang on that thing for hours. (I do believe she had hearing loss in later years...hopefully it wasn't my fault. :)). She was always there to offer comfort and encouragement, in my youth and in my adulthood. I have so many memories of times shared. She had a good sense of humor and liked to tease but always good heartedly. I loved her laugh. I know she was always there for all of us. I will be forever grateful and thankful that God put her in my life. We were all blessed. I'm grateful that we got to visit when she came to Washington and on the video chats. Even when she

was hurting she tried to be on them just to see us and listen. When she felt good, we had some really lively visits. It was so much fun! Aunt Pat - a big hug and kiss for you and please hug and kiss all of the rest of my family and friends that are there with you. You are forever in my heart. I love you. Your niece, Marcy

Our condolences from Washington to all of you, friends and family of Aunt Pat. Aunt Pat always had a kind word and a gentle loving way. She was always remembering our birthdays holidays, putting a lot of extra effort into many people.. Because of her very attentive nature and kindness to our family, I always considered her my favorite aunt. I felt closer to her because she cared to reach out all through her life to us as we grew up. Always soldiering on through her mysterious painful illness.■ A very virtuous woman, a wonderful example for everyone.. A Cornerstone individual who will be greatly missed. We are so glad she is no longer suffering .Celebrating her Heavenly birthday and having communion with God and loved ones!■ ■ Niece Denise and Daniel
