

Patsy Carol Orton Johnson

So sorry I didn't see Patsy's obituary sooner. She was truly a great lady.

I am so sorry for the loss of your dear patsy. Our study group so loved Her And she was beautiful inside and out.

We have happy memories at Northcrest Swim Club in the Avenues. Patsy was always calm and collected--such a beautiful person. She volunteered in so many things at school and our community, but my favorite was watching her officiate swim meets. Our children loved learning to swim with the Johnson kids. We still have grandchildren swimming on the team--their absolute favorite summer activity! Sending love and prayers your way--your family blessed ours in so many ways.
