Sorry to hear about your Mom ■ Prayers for your family

- Barbra Hill

So sorry to hear that dear Patsy is gone. She was always such a loving and soft-spoken woman. She loved her children so much! She was so proud of them all. Truly an exemplary woman. I hope her children will be comforted as they say farewell to their sweet angle mother.

We send our love to your family. What a beautiful soul that blessed the earth and now has a great opportunity to be an angel to you. All our love, The Bradshaw's
