

Patsy Rae Patten Pratt

Nov. 19, 1931 ~ May 21, 2021

Patsy is someone I truly love and learned so much from. She was the best example to me as a young mom. I will miss her

Sorry to see of the passing of Patsy she and David were such good friends and neighbors.

As a young mother, I lived across the street from the Pratts on 4230 South in "lower Holladay" as we called it, for a few short years and always admired this wonderful faithful family. Patsy and I took a water ballet class together at old Granite High School and I fondly recall she was in charge of a toilet-papering party to decorate our huge front yard pine tree. She was certainly a wonderful mother and wife, and a dear friend to me. Deepest condolences to her sweet family at this time.
