I am so sorry to learn this news. Patti and I knew each other because of our parents. I wished I had kept the childhood connection with her. I am so sorry for your family's loss.

I am so sorry for the great loss of such a wonderful person. She always was smiling and happy to have you in her life. May the family have great peace in knowing that Heaven got one of the best angels. Much Love, Pat, and Tony Prescott.

We were shocked and saddened to learn of Patty's unexpected death. Patty visited us about 2 months ago. She was planning her high school reunion at a neighbors house and stopped by. We had a long visit, shared many stories, and discussed all the latest family news. We are so happy we had that opportunity, she was so proud of her kids and family. Because of prior commitments we are unable to attend services, but know that our thoughts and prayers are with all of you. With our love, Lynn and Shauna Westberg

Mike and I are so heart broken over this news of the loss of Patti! What a beautiful and caring person she was, always thinking of others and what she could do to help someone. She always called to check on Mike and took the time to come take him to lunch, see if he needed anything or invite us to family activities!! She loved family so very much! We will miss her but know she is having a beautiful reunion in heaven with family! God Bless you Nick and all of your beautiful family. Our Love, thoughts and Prayers are with all of you! Love, Mike and Sharon Westberg

My heart will forever be broken missing my dear friend Patti. We've shared love and friendship since we were little kids in Winder 7th Ward. Oh, how I will miss her support, kindness and service she gave to me. We kept in touch all through the last 55 years. Sending all my love to all her family at this tender time of loss and grieving. May we be blessed to feel her close by a little from time to time. She was an angel here on earth, so I expect her to be watching over those she loves until we meet again. Heavenly Hugs, MaryAnn Doxey Shoff

How grateful I am to have known Patty, and had her in my life. Those of you lucky enough to have lived with her in these years and love her are so blessed. I'm so grateful for the help Patty gave me and raising our children, are you guys with the best neighbours we could have ever had. The trips we've had in the last five or six years will always be a treasured memory. We planned on many more and I'm so sorry those will be missed. Remember that you are family to us and please stop here and stay over when you go through St George. The funeral was so lovely and honoured Patti just as she is so deserved. Loved hearing your tender feelings about her Jenny, Nicky and Nick. She is so proud of you right now. Always has been. Sending my love and tears.
