

Patty Jean (Argyle) Drage

July 14, 1937 ~ June 23, 2022

I hit the jackpot for in-laws. The six years she was my mother-in-law are treasures. She loved me like her own. She was a special gift from heaven for me. I miss her. If only more people could be like Patty it would be an amazing world.

We were so fortunate to have had Patty, Mel and family as neighbors for many years. Patty was a wonderful friend. She was always there to help. Two of our children were the same age and they spent a lot of time at the Drage home. They loved Patty. Patty was a great cook and very willing to share her recipes. I still have some. We always looked forward to her plate of Christmas goodies. Our family still remembers the time they took us to their cabin. We are so grateful that Patty was part of our lives. She was a great example to us. We learned so much from her. Our love and sympathy go out to the Drage family. Love, The Sonzini Family
