My Sweet Friend Tonya, For years you have shared with us stories of your sweet and funny Dad. I almost feel like I know him and I have always been able to tell how much you love him. My heart is with you, your sweet Mom and family. Thank you for sharing so many wonderful things with all of us in his obituary. I am sure it hurts tremendously to lose such an amazing man but it sure sounds like he did a great job of showing you all how to live. Love you, T!
