Tracy - So sorry to hear the news. Greg was always an outstanding employee and I saw him as a good friend. My prayers are with you and the family.

- Bob Queenan

I'm so sorry for your loss. Greg was one of the first people I became friends with when I started working at Curtiss-Wright. He was always so helpful when I came to him with questions.

- Nancy Lynn Hayes

I remember babysitting You, Mike and Darcie when you lived down the street Grandma and Grandpa in Concord CA. From there you moved to Livermore CA just a couple of blocks from Grandma, Grandpa and me. Then to Castro Valley CA and then to Idaho. You always were fun to be around and a great and caring guy. May you rest in peace Greg. Love you always.

- Cindy Hodel Freitas

God Bless Greg may he be in a better place! Thank you for being a good friend to me and my father Stepehen Rhead and thank you for the fun years playing fantasy football. You'll be missed.

- Brent Rhead

I had the opportunity to work with Greg for several years at Curtiss-Wright. I knew him too be a man of integrity who took pride in a job well done. He not only knew how to work, but also how to laugh, and make others laugh too. He introduced me to the game of cornhole and I had the privilege of partnering up with him for my first community tournament. He was always supportive and I will remember him with admiration and respect.

- Scott Baker

Greg was a great guy. I had the pleasure of playing cornhole with him over the last few years. He will be missed.

- Dave

My thoughts and prayers are with you and your family Tracy. I will truly miss Greg (my friend). He was and always will be an awesome person.

- Joyce Roberts

I didn't know Greg personally, but after seeing his picture on this obituary I do remember seeing him around the office and during cornhole tournaments at work. When I asked some coworkers about him, they had nothing but great things to say and how he was great to work along side with. My deepest condolences go out to all his family and close friends as I am sure beyond a shadow of a doubt they are all grieving his loss at this time. May the Lord bring comfort to them all during this time of sorrow.

- Stephen Pardini

I've had the pleasure of working with Greg for almost 11 years. I always loved his sense of humor and no-nonsense approach to things. He will be missed by all here at Curtiss Wright. He was part of our family. There are no words I can say to ease your pain. I'm sending love, hugs and prayers to Tracy and the entire family!

Tracy so sorry for your loss. It is extra hard when a life is cut short unexpectedly from a terrible disease that there is no help for. We will miss his fun loving spirit.

- Shellie

Greg was my husband’s best friend. They served together in the military. We were neighbors in Navy housing in San Diego and when they moved to Idaho we continued our friendship. Tracy and I became great friends and the 4 of us always enjoyed our time together. Greg had a great sense of humor and always played the best music. He doted on Tracy and treated her like a princess. We will miss him! We pray for comfort and strength for Tracy and the rest of his family during this difficult time ■

- Susan and Mike Hand

Very sad to come across this. Really got a kick out of working with Greg back in the day at Scientech. He had great taste in music! Almost made me overlook the fact that he was a Raiders fan, almost. Had many good laughs with Greg. Sending my heartfelt condolences to his family and loved ones.
