Hap was very special man to many. Paul and I had the privilege of having Hap in our home monthly as our beloved home teacher and good friend.

We have been in the same ward for many years with Hap and Ann and have the highest regard for them. They are both amazing people with such positive attitudes and warmth shown to all. One of the best group of students Kip had in teaching a general education geology class was when Hap and his retired gang took the "Water Planet" class several years ago. They were some of the best students. Condolences for your loss. What an amazing legacy he left for his family. Love Solomons

I am 100% sure my dad and Hap are going on a daily run to the McDonalds in the sky for a Coke. Hap was always so kind to me and I am so appreciative for the advice he gave my son a few years ago when my son was preparing to leave for the Buenos Aires North Mission. I send my sincere condolences. Hap was an incredible human being.

To the Incredible Family of Paul “Hap” Green The funeral was the most amazing tribute we have heard given to a father. Each speaker shared the most tender, loving, feelings and experiences about their beloved Hap. It was so fun to laugh, cry and delight in the tributes given to him by his family. He was an exceptional, extraordinary, creative, loving, accomplished, magnificent man. To hear his life stories and celebrate his achievements was complete joy. Hearing about his unwavering love and devotion for Ann warmed our hearts. Each one of you children have inherited the amazing qualities of your beloved father. Prov.10:7 says, “The memory of the righteous is blessed”. We are all blessed when we remember the example of his life. THE EXAMPLE OF HIS LIFE WILL LIVE ON IN YOU. We are honored to know you, have shared our lives with you and will love and cherish you eternally. The Roger and Jewel Doxey Family

Our deepest condolences to my Green cousins, children and family for the passing of your wonderful father, grandfather and my uncle Hap! Hap was a great inspiration to me growing up spiritually as I saw him serving as bishop of his ward then as mission President. After his and Anne’s farewell sacrament meeting we went to their beautiful home for an open house whereupon I asked Hap if he was planning on road running on their mission, with great enthusiasm he took my to the master bedroom to show me the 8 to 10 boxes of running shoes he was planning on taking on their mission. With the same enthusiasm I told him that was awesome! Hap inspired me to start running which I ran my first race on my mission in New Zealand then latter the New York marathon. Many more wonderful Clark, Green gatherings and Christmas party memories with Hap and Anne. To all my Green cousins, and spouses your heartfelt messages and memories where spectacular of Hap! You all brought a laugh and a tear to me as I watched and listened while in Florida. Hap was indeed happy to hear of all of your wonderful memories of himself and your angel mother Anne. Love you all! Scott and Steffanie Clark
