Thank you Paul for being the wonderful man you were. We were lucky to have you as part of our extended family and you will be missed dearly. May you rest in peace knowing how much you were loved.

Dearest Hadley Family, Although I was unable to attend I was able to be there via Zoom. I must say what a beautiful service it was. Jackie what an incredible group of men you and Paul raised. The way they expressed their love for you and Paul was the most beautiful gift a parent could receive. I only wish I could have known Paul better because it is certain he was a man and person that bettered many lives he touched . We are so sorry for your loss. I see the Hadley family is a great network of love and you will support each other through this difficult sad time. I hope to see you soon Jackie and together we can love our common grandson little Iggy.and his beautiful parents. What a blessing they are in my life. One of many blessings that came from Paul and you. ❤■
