Kirsten, As I look at this wonderful picture of Ron, memories of a cappella choir and Weber State Singers wash over me. I so enjoyed the friendship with Ron and you. We had lots of fun times practicing, performing, and going on tour. I am so sorry your life here on earth with Ron has been cut short by his graduation to heaven. I feel the two of you must have had a good life together, especially with your children and their families. Ron was an amazing person. He had a zest for life that was contagious. We were excited that one of our children, David, had him as a third grade teacher at Altara Elementary. I hope your life will continue to be a good one, and that you will continue

to have a wonderful life with your children, grandchildren, and great-grandchildren around you, even though you all will miss Ron. Love, Verla Jean

I was an Aide at Draper Elementary for 10 years when my kids were growing up. We loved Mr Peay. A great teacher and the kids loved him. Several of my kids had him as a teacher , if not all of them. He was a joy to be around.

We were saddened to hear of Ron's passing. We were able to watch the funeral service broadcast, it was nice to hear the family tell of remembrances growing up with Ron as their Dad. It seemed that the theme of most of the talks mentioned being grateful for everything you have, and do your Best in everything you do. We pray that your family will be blessed and comforted at this difficult time. Sending Love and prayers, Bruce and Susan Dame.

Dearest Family, My heart is heavy, at this time, at the loss of my wonderful Uncle Ron. I am grateful and will always cherish the memories! My prayers are with you at this most difficult time! I am so very grateful for our Heavenly Father's Plan of Salvation, knowing that Families can be together Forever! On a lighter note, I have fond memories of Uncle Ron's sense of humor, and willingness to bring laughter to many! With all my love, December
