Thank you Paul for inspiring me to pursue a career in Law Enforcement. You taught me so much. My sincerest condolences to all who loved him. You will be missed.

I first met Paul when I was 17 through a mutual friend & co-worker Michael G. Kavanagh at KRSP Radio . I was looking to go into broadcasting , Paul became my mentor , teaching me the in's and out's of radio . Years later in early 1979 , I received a telephone call from Paul (I was laid off from a local tv station) , asking me if I was interested in a job at the Sheriff's Office , I told him yes , he "good , I've got you signed up to take the written test , meet with Sgt. Kevin Grey this Saturday at the Metro Hall of Justice" . The rest they say is history . Paul and I stayed in contact periodically with each other , after domestic life took hold , razing our own families . Paul's passing shocked me but he'll will live forever in my heart , and I'm proud to call Paul my friend ....

Sad day. Great person, colorful deputy, loved his interest on Sheriff's Office.

I worked alongside Paul in West Patrol and enjoyed his light banter during lunch breaks. He was a very pleasant person to be around. I am saddened to learn of his passing.

I listened to St John on the radi and enjoyed him. I enjoyed Paul while on the office together. Very nice man. Too early for him. God Bless Barbara and the family. It saddens us all.

I'll never forget get you old friend and will miss my mentor and fellow Scouser. Love to Barbara and the kids. Rick and Karen

I knew of Paul when he was a DJ listening to him on the radio and as time went by I was working at the Sheriff's office when a guy in a deputy's uniform approached me at a crime scene and when he started talking I immediately recognized his voice and before I could get out "are you" Paul said yes I am! I found that Paul was very pleasant to be with, was very compassion of his work and others and was easy going and always had a smile on his face I enjoyed working with Paul as well as going to his cook outs at his home, I'm sorry for your loss he was a wonderful man. God Bless.

I firsr met Paul when he was living in the Trolley Square water tower doing a promotion for KRSP and I was working uniformed security for Trolley Square. He was deeply interestd in law enforcement and had seemingly incessant questions about the job. I, and other deputies working there, encouraged him to look further and he eventually joined the Sheriff's Office. We worked together in patrol occasionally when he wasn't on other assignments. After I was promoted Paul came back to patrol and I was fortunate to have him as my Corporal (# 2 in deferance to his English heritage). Paul was a good cop (from the English constable on patrol) both stern or compassioate as was necessary. Paul was a true renaissance man, author, musician, humorist, public servant, and above all a dedicated family man. We are all better for having known him.

I'm so sorry for your loss. I wish you had let me know so I could have gone. Maybe you didn't have my number. 801-865-3822. I've been dealing with some health problems myself, found out I have a rare form of leukemia. Please call me Barbara. Diane

I met Paul many many years ago .He pulled me over because I was all over the road. I was looking for my lost dog. He helped me find the dog and I would run into him in Taylorsville all the time. He was such a funny guy, always had a story to tell me. He always talked about his wife and family and how much he cared and worried for them to always be taken care of in case something ever happened to him. He will forever be watching over you.

I was a student of Mrs. Fleming at Lake Ridge Elementary (she was my favorite teacher). We all thought it was so cool that Mrs. Fleming's husband was a rock-n-roll DJ! I want to send my condolences to the Fleming family, may time bring you peace and joy in remembering the love you shared.

So sad to hear of Paul’s passing. Paul was a fixture at our house in the late 60s, he played in a band with my brother Jim Snow and Kim Mooney. I’m sure the three of them are making great music again. Much love to Barbara and the rest of the family, he had a wonderful life.

I’m so terribly sorry that I’m just now learning of Paul’s passing. Paul, Barbara, Leigh and Hillary were such an important part of our lives in so many ways. It’s awful to think I let life drift us apart. Paul and I were partners in Vice and the Fleming’s were amazing support watching Aaron during those single parent years. He learned so much from them and we treasure those many memories. Please accept my apologies and condolences even late as they are. We miss Paul and his family terribly and always will. You will always be in our hearts and our memories!

- Perry and Aaron
