Dear Janene, I am heartbroken to learn of the death of your handsome husband. You seemed to be so happy together.I am really grateful you found each other and had these happy years together. You are a beautiful mother and I know your children will be a circle of strength for you now, even as I know that is not the same at all. My

thoughts and prayers are with you, dear Janene. With much love, Carole

Condolences to Paul's family from a longtime friend. I've known Paul for over fifty years, since his brother Tim married my sister Suzanne. In our teenage years we were also good friends, and were coworkers for three years on the janitorial crew of the Church Office Building in downtown Salt Lake City. Memorable experiences with Paul include, working with him full time one summer on the "wax crew" with several other guys, during which we laid down new wax on all of the floors of the COB from 26 down to the third lower level; a week-long backpacking trip in the Granddaddy Lakes in the High Uintahs another summer with Tim, Suzi, Paul and a bunch of Tim's friends (Paul coached me in catching my first-ever fish on that trip); and "helping" Paul as he rebuilt the motor on his Volkswagen bug, using a creeper to drop the engine. We both had VW bugs at the time, and I was (and still am) in awe of his mechanical ability. He was always a happy, friendly, humble and extraordinarily smart guy.
