I was so sorry to hear of Paula's death. Met her through the American Legion Auxiliary. She was such a great patriot and worked very hard to support veterans and their families. She will be greatly missed. I am sorry that I will be out of town when her funeral is, but my prayers will be with her and the family.

So sorry to hear that, she will be truly missed.

Paula you were a wonderful and kind individual. Always ready to help anyone in need. I will miss your smile and the talks we had. I know that you are watching out over your not just your biological family but your Auxiliary family as our newest guardian Angel. Love you always, Carla and Stanley

A ray of sunshine has left us, but now sits amongst the stars. Paula was always ever welcoming to newcomers within the Veteran's of Foreign Wars (VFW) organization. She encouraged everyone around her to get involved in supporting Veterans, moving forward and upward within the VFW, or simply helping those around you in your own community. Paula never had a loss of words and so you always knew her view points, but she also made you smile and laugh. Her passion for life, service to others, and unwavering support of Veterans touched so many people. Paula left her mark on all who knew or met her, even if only the briefest of encounters. May Paula rest in peace

knowing her work here is done. May the peace and blessings of God carry all her family and friends through this difficult journey. Sincerest Condolences, Lisa Bedel Department of Utah VFW Chaplain
