

Paula Maurine Cushing Palmer

December 7, 1950 ~ January 28, 2022

All the Primary Girls from The Parley's Fourth Ward were heartbroken when we received the news of our sweet friend's passing. Paula was always such a lady with such a sweet and kind disposition, we never would have guessed she would be the fighter of such a dreaded and difficult disease. Her fight was heroic and brave. We are grateful we have the faith and belief that she is now a beautiful angel in heaven as she was on the earth. We will miss her sweet countenance, her kind and caring ways and her interest in all of our lives as we met each summer to share with each other. May the Lord bless your family as you cherish her sweetness and goodness in the days to come. All our love to you and your family, Linda , Nannette, Pat, Sue, Sunny and Linda.

This caught us completely unaware, and is very tragic news. When such a close friend passes away so suddenly, it is very disheartening to see another Highlander pass away. . . We know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their life and love. Words seem inadequate to express the sadness we feel about Paula's passing. Our Deepest Condolences, Love, Rick and Marilyn Sutter

Paula did we have lots of laughs sad times , I honestly don’t know what I will do without you. All our lunches. We had such fun with Wain and Dick I have missed having Duck around and now my sweet sweet friend I will miss you. I didn’t think it would be this hard. How the heavens will rejoice with you there.

Dear Wain and Kids..... That was a beautiful service for a beautiful lady! We have so appreciated being your friends and neighbors and truly enjoyed our moments with Paula...her laughter, her sense of humor, her caring heart! She will be missed! Glen had written this poem and we hope it will bring you solace. We sure do love the Palmer family! A LIFE TOO SHORT By Glen Sherwood © 2009 We’re on this earth for only just a moment Even though we live three score and ten, While in our youth we view life as eternal We’ll age someday then go, but not till then. It appears for some there is an intervention When the Heavens change the course of destiny, At other times a loving God is silent And seems to say what is to be will be. We question not the wisdom of the Maker Yet oft we wish to know the reason why, When souls are taken too soon by the reaper And loved ones who remain are left to cry. The plan eternal says we’ll be together When through this vale of tears our paths we tread, To face an unknown step beyond our vision The circle there unbroken holds no dread. Our hope is for a new and bright tomorrow And stately mansions there in which to live, A place our Savior says he is preparing For those who follow, this His gift to give. In time of need we look to God for comfort With faith and prayers of Him we seek relief, And rest assured that He who paid our ransom With loving arms outstretched will bear our grief.
