

Pearl M. Boberg

November 19, 1930 ~ April 11, 2022

Aunt pearl was my favorite aunt she was always full of life, she always made me happy! She will be missed.

Although it has been many, many years since I have seen her, I remember her when I was young girl . She was married to my Uncle Bob. She was so kind and sweet to all of us. She always had a smile on her face. I was involved in our Stake Senior Dinners, and a dance group came and danced. She was among them. I was able to talk to her briefly. I always had happy memories of her. In this picture, she looks like I have always remember her. Prayers of comfort for your family. Colleen Burrows Van Wagoner.
