We send our deepest condolences, prayers, and hugs to the Dyer family. Peggy touched our lives with her smile, kindness, and service. She is one of the best visiting teachers I've (Karen) ever had — I always felt her genuine love for me. Both Ken and Peggy have been wonderful examples to us and to many others. May the Lord bless you at this tender time. Til we meet again, Peggy!

we attended Peggy's funeral yesterday and just want to express to your family how special it was and what a great tribute you gave her. We love your family and want you to know our hearts go out to you at this time of loss. Thank goodness for the gospel in our lives, but that doesn't take away the pain of separation. We appreciate and love you and will keep all of you in our prayers. It is so hard to lose someone you love so much and we pray the Lord's peace and comfort will be with you as you face the future.. Big hugs to all of you!

One of the greatest people I ever knew. Always had a smile and laughed at most of my stupid jokes. She will be greatly missed by all who knew her. Blessings to all her family.
