What a beautiful tribute ❤■ & What a wonderful person!!! There was so much to love about Peggy ■ Our sweet neighbor that lived at the end of our circle for at least the last 45+ years I will never forget her funny & best sense of humor & Her yummy Carmel corn she would make every Christmas !! She loved her family so much & I loved hearing all the stories of trips to Colorado , & her time spent with kids & grandkids ❤■❤■❤■ Her and Gerald had that rare love that we all strive for & I always enjoyed seeing them sit in their front yard in the double rocking chair talking & watching the hummingbirds ■ She has joined up with all the family members & friends who have crossed over & I imagine she is with her kitty cuddles & her best dog licorice who we would still talk about her heart & love will continue on in all that knew & loved her I send your whole family so much love!! ❤■❤■❤■ Love you!! Grandma was like a spark of magic in the world. She made people around her smile and laugh. She believed in people, whenever she saw me enjoying something she would always encourage me to embrace it. Creativity was so important to her and she nurtured it so much in everyone. I have so many memories painting in lake city with her. She was so talented at everything she did. Including always wrapping gifts to look like something out of a story. I loved receiving her poems every holiday, every year. Grandma and I played a lot of board games together, she always made it an amazing time because she brought a warm light where ever she went and she always made sure you knew you were loved. She was the kindest most loving person. You always felt welcome in her home. The world has lost such a bright light.

Sending our condolences to your family at this time as you prepare to put sweet Peggy to rest. She will be so missed at Greenmont Circle where we have been neighbors for around 50 years, raising our families together and being friends. Peggy was a special person running over with creative ideas and talent. She and Gerald and their family have the everlasting kind of love that we all should strive to have. Our family will miss Peggy very much. We have been so fortunate to have had her in our lives■Till we meet again /. The Lofthouse Family
