I was sorry to hear about Peggy's passing. I was the Major's Home Teacher for about 10 years and got to Peggy well. She was a good lady and concerned about the well-being of those she knew. It has been heartbreaking to me to she her health decline over the past few years, and saddening to see her suffer so much with her illnesses. There will be a special place for her in our Heavenly Father's kingdom.

We valued having Peggy as our neighbor. Her and Ron have been great neighbors for 18 years we've lived across the street. She shared many memories with us of her perspective and her kind and caring ways. She reached out and was very gracious and kind. We saw her and Ron as our local grandparents to our kids, they have always reached out and come and visited and spent time. Ron has been by her side, tender and caring. We love you neighbor.

Peggy, I enjoyed our work relationship and then our friendship after we retired. I will miss you and having lunch together once in a while. You are a warm, caring lady. Until we meet again.

I just learned of Peggy's passing. I am heartbroken, and so sad that I did not know, or hadn't reached out to her sooner. Peggy was one of my closest friends and co-workers at ORS. She was an amazing lady who loved her family and always talked about them. She was smart, always kind, courteous, extremely loyal, genuine, and so pleasant to be around. I will miss her terribly. Sending my love to Ron and his family. You were so blessed to have such a wonderful wife, mother, sister and grandmother. I am so sorry for your loss.
