Peggy was always a sweet loving cousin to me- she was a happy, friendly girl & always had the most beautiful smile. I remember her tender voice when she would speak - she always had a gentle, kind personality. She is a special, beautiful spirit. Your Cousin Burke Wells

I am so very saddened to say good bye to my friend and mentor. I couldn't believe I entered into her inner circle of friends. I have SO much admiration for her. Peggy taught me so much and I loved her watercolors. she was a wonderful teacher. I was beyond excited when she invited me to go out painting with her. She is a master and had the courtesy to let me tag along. She was never intimidating only full of encouragement. She laughs easily and it

was an absolute joy to be with her. I count her as one of the most profound influencers in my life. I will always love you Peggy. Deepest condolences to the family.
