

Pete Lamoni, Jr

February 7, 1927 ~ October 6, 2021

Roger - no matter how old a loved one is, it never seems time for them to leave you. Pete was lucky to have you be his caretaker for the last few years of his life. You obviously loved him in large amounts!

My heart goes out to you during this hard time. Losing a loved one is extremely hard I know. He was a wonderful father, grandfather and will be missed by many. I wish the family comfort during this hard time and hope you are able to think of him with a smile and love in your heart.

Roger, I was sadden to hear of Pete's passings. You were a good son taking care of him and I did enjoy brief chats with Pete during Bistro at HUCC, and Wednesday Night Community Suppers. God Bless you Roger Godspeed Pete. Peace, Kate Palmer

My deepest condolences to the Lamoni Family... I remember your family well as you visited my restaurant (Familia Diaz) through the years... Your Father and mother were always warm gracious people who I enjoyed seeing every time.. I am sure their kindness and graciousness will live on in their kids and grandkids... take care ~ Dan
