I haven't known Peter before met him at Beehive Homes of Draper facility. Whenever he made it to the meal time in dinning room, he through the struggle showed strength and compassion for others. He left so much for not only the family as an great example of courage, aim, and love living his life as a strong man to carry his responsibilities, and enjoying outdoors. May memory of him and his life's adventures keep his family comforted at the difficult time of loss!

Pete and Ellen were my neighbors in Arizona for over 30 years. I loved them dearly. Pete was a "Renaissance Man". His interests were broad and varied. There was not much Pete couldn't tackle. He was a kind and compassionate man who deeply loved his family . He fought his health problems for many,, many years. He was so brave. I shall miss him. Rest in peace dear neighbor.

For all of Pete's family we want you to know that we loved him, as scoutmaster, ward leader in many ways, friend and great servant of the Lord. It has been our honor to know him and to love him. From his skills in working with our sons, being the parent of Amy and and her brother. for his leadership and talent in listening, comforting and teaching those around him. Our six sones will always lovingly refer to their scoutmaster and friend as Eater Pottosen.....we knew this disciple of Christ and loved him. The Mel Owens Family

Our condolences to Pete's family. Garry was a Beehive Homes of Draper neighbor and we enjoyed his company often. Whenever I asked him how he was doing, his response was always, "Oh I'm getting by!" He was always so pleasant and kind. May God's peace and love be with you! Kathryn
