Dearest Clare and family. We are so sorry for your loss~! We are Kent and Sarah Murdocks kids, This is Jill, I remember so many stories, from Faye to Mom, The good times they had and loved your mom and dad so much. I would see the Xmas cards that Faye would send out and it always had a picture of your family and how it had grown year to year. We would hear how Phyllis was so creative and talented~! All I can think about is what a wonderful time in heaven she is having now, With family and your mom and dad. What a great day~! Our thoughts and prayers are with you and your family through this terrible time. With Covid and all this ugliness. With love to you and your family, Jerry, JoLene, Jill and Jan Murdock
