Phyllis was such a lovely, kind person. A great mom and grandma. She will be missed. Xo

Phyllis was the sweetest kindest lady, with a quick wit and welcoming smile. I was just a young shy girl when I first met her but she immediately made me feel welcome in her home. I was lucky enough to be her ride when she needed one in her later years, and we always had a great time with lots of laughs.. She was very well read and I enjoyed hearing her story's. I am forever grateful to have had Phyllis in my life. . She was loved and will be missed.
