When I first met Steve DeVroom, I remember thinking what a "larger than life" person he appeared to be. And, indeed, he was exactly that. I remember when my son David earned his Eagle Scout award that Steve was one of the scout leaders present at his interview. He smiled from ear to ear and was so pleased for David. Steve had the "pure love of Christ" in his heart and he will be missed by my family and me. My condolences go out to Marney and his children, who will surely miss this dear husband and father. All of you will be in my thoughts and prayers. Rest in peace Steve DeVroom until we all see each other again on resurrection morning.

Steve and I grew up two houses from each other. The thing I remember the most is when we would play chess in the basement apartment. Of course Steve was much better the I was and when I won it was by sheer chance . But

the thing that I loved best when his Dad would come down and see us playing chess. He would always take my side which drove Steve nuts! I'm sure everyone remembers Bill DeVroom was a chess champion . Now my grandson - Nate Stoneman has become very good at chess. I don't remember watching him losing to anyone. I always hoped that Nate and Steve could have played chess someday. Well goodbye my old friend - I'll see you and the other side Love Bill

- Bill Stoneman

My heart goes out to the DeVroom Family. I pray your family feels the spirit of our Father in Heaven and our Savior, Jesus Christ, during this heart breaking time. I never saw Steve without a smile on his face. He has always been a great example for his family and all who ever met him. While I did not know Steve Sr., I am very well acquainted with Steve Jr. and his family. The quality of Steve Jr.'s family attests to the quality of the Patriarch of the DeVroom family. I hope you can accept my sincere condolences for the passing of Steve Sr. It is hard to loose someone so dear and unexpected. But what a wonderful legacy he has left behind and I can imagine the reunion one day in Heaven. God Bless you with peace and comfort. A friend of Steve & Kristal Corbi and Bryan Van Wagoner

It is difficult to explain what a.good person Steve was but over the years our family interacted through our children as we watched them grow and be part of the Devroom family. We were invited to dinners and we enjoyed seeing what a loving family we had the joy of being part of. We thank all of you for having us feel like we were part of your family during the teen years. Our thoughts and love are with you. Love, Paul, Kathy, Marci, Khader, Jeff

Steve you will be greatly missed, I always knew that when I gave your name to a client for contract work that they would always be treated honestly, fairly and with a smile. I remember one of the first times I met you, at Steve Jr and Kristal's house for a family event and you brought sliced strawberries with the best tasting glaze id ever had, i spent the whole time trying to get you to tell me what you did. You just smiled and let me beg, in the end you told me your secret. I will always remember you and t g e example you were to me and your family. May God bless you and your family

Dear DeVroom family, We were deeply shocked to hear of Steve’s sudden passing. The DeVrooms became part of our family when they lived next door to us on B Street for many years. In recent years, Steve built a new garage and patio in our backyard. He also remodeled both bathrooms inside our home. It was such a joy to get reacquainted with him during these projects. We will deeply miss Steve, and we extend our heartfelt sympathy to all of you. Herbert, Carolyn, and all of the Klopfer family.

- Herbert Klopfer

Steve was a wonderful and kind man. Some of my earliest memories were of him teaching my Sunday school class in the early 1980’s. We all loved him and thought he was the coolest adult ever. He was definitely someone the youth of my age looked up to and he never disappointed. He will be missed but will always be in our hearts. We will meet again one day and I can’t wait to tell him how he impacted my life in great ways.
