Matt, I am so sorry for the loss of your son Justin. He and my son Derek played on the same baseball team. He was a great kid and team mate. You and your wife were great supporters of your kids accomplishments and talents. May you find peace and comfort during this time. Peggy and Keith Butler

Wow, I cannot believe this....My heart breaks for you and your family. Justin was such a great man. He took me in under his wing when I was a freshman and we drove every where together. I have so many amazing memories with Justin. He was a leader and inspiration to the team. My family is so sorry for your loss. Our thoughts and prayers are with you.

I had the pleasure of being Justin's Front End Supervisor while he was GM of the Sparks Best Buy. He helped me become a better person in my field and always had a soft heart and ears to listen whenever needed. He always tried his best at the situation given when he took over our store. It wasn't easy by far. But he took it one day at a time and did the best he could. He will be missed. My condolences to his entire family. May he shine bright in the heavens.
